HAVE A SAFE FESTIVAL
Whether you're a festival first timer or an experienced partygoer, it's worth checking out FestivalSafe.com, an initiative we are proud to support, before you get to No.6. Put together by festival experts, it's a one-stop shop for how to have the best possible time. We are also proud to support AIF's Safer Spaces, at No.6 we take a zero tolerance approach to all forms of sexual assault. We have a Welfare & First Aid point located in the campsite services area, please don't hesitate to ask for help from a steward or security team member should you require assistance.
